

November 30, 2021

Dear Parent/Guardian:

I am contacting you to make you aware that law enforcement informed the District a few hours ago of the arrest and arraignment earlier today of Middle School teacher Brian Lasher. This information provided by law enforcement was the first time the District was advised of this matter.

We have been informed the charges allege improper, unlawful conduct toward another adult individual. We were advised that the matter **DOES NOT** involve District students or staff and **DID NOT** occur on any District property. Based on the serious nature of the allegations, Mr. Lasher was placed on administrative leave immediately.

The District will continue to make the safety of its students and staff its utmost priority. The District is not able to comment further at this time as it is a personnel matter.

Sincerely,

Dr. Sean M. Croft
Superintendent of Schools
