**STATEMENT BY NARDIN ACADEMY BOARD OF TRUSTEES CALLING FOR  
IMMEDIATE RESIGNATIONS OF PRESIDENT AND BOARD CHAIR**

BUFFALO, NY – “The current situation and subsequent public attention of Nardin Academy has damaged the integrity and reputation of our historic institution.

“As such, we are calling for the immediate resignation of the President and Board Chair.

“We do not take such an action lightly, but as members of the Nardin Academy Board of Trustees, our primary responsibility is making decisions that are in the best interests of Nardin Academy and our students.

“In this instance, it is in the best interests of Nardin Academy and our students that these resignations be immediately tendered.”
